Independent Auditor's Report

Board of County Commissioners
Fremont County, Idaho
St. Anthony, Idaho 83445

We have audited the accompanying basic financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Fremont County as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise Fremont County's basic financial statements as listed in the table of contents.

Management's Responsibility of the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not the purpose of expressing an opinion of the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Fremont County, as of September 30, 2021, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Board of County Commissioners
Fremont County, Idaho
St. Anthony, Idaho 83445

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the budgetary comparison information and schedules of employer's share of net pension liability and employer contributions on pages 37-43 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance of the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted the Management's Discussion and Analysis (MD&A) which is management's analysis of the county's financial activities based on currently known facts, decisions, or conditions, that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Fremont County's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements as a whole.

Board of County Commissioners
Fremont County, Idaho
St. Anthony, Idaho 83445

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 14, 2022 in our consideration of Fremont County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Fremont County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Fremont County's internal control over financial reporting and compliance.

The accompanying notes are an integral part of these financial statements.

FREMONT COUNTY, IDAHO
Reconciliation of the Governmental Funds Balance Sheet
To the Statement of Net Position
September 30, 2021

Total fund balances - governmental funds \$ 13,077,433

Total net position reported for governmental activities in the statement of net position is different because:

The cost of capital assets (land, buildings, furniture, and equipment) purchased or constructed is reported as an expenditure in governmental funds. The Statement of Net Position includes those capital assets among the assets of the District as a whole. The cost of those capital assets is allocated over their estimated useful lives (as depreciation expense) to the various programs reported as governmental activities in the Statement of Activities. Because depreciation expense does not affect financial resources, it is not reported in government funds.

Cost of capital assets	44,451,494	
Work in progress	4,029,752	
Depreciation expense to date	<u>(25,241,304)</u>	
Total		23,239,942

Property taxes received that are not available to pay for current period expenditures are deferred in the funds. 3,116,931

Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds.

Contracts payable	-	
Capital leases	(1,470,896)	
Accrued interest	(28,256)	
Compensated absences	<u>(642,982)</u>	
Total		(2,142,134)

GASB 68 requires the accrual of net pension assets and liabilities and the deferred inflows and outflows of resources related thereto.

Net pension asset	135,585	
Deferred outflows of resources	1,961,754	
Deferred inflows of resources	<u>(4,337,412)</u>	
Total		<u>(2,240,073)</u>

Total net position of governmental activities \$ 35,052,099

The accompanying notes are an integral part of these financial statements.

FREMONT COUNTY, IDAHO
Reconciliation of the Statement of Revenues,
Expenditures, and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the Year Ending September 30, 2021

Net changes in fund balances -- total governmental funds **\$ 2,264,985**

The change in net position reported for governmental activities in the statement of activities is different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Capitalized assets	3,124,338	
Depreciation expense	<u>(1,935,622)</u>	1,188,716

Property tax revenues are deferred and not recognized in the funds until they are available to pay for current period expenditures. In the statement of activities, however, they are recognized when levied. This is the difference between the amount deferred at the beginning and end of the year.

Deferred revenue - 2021	3,116,931	
Deferred revenue - 2020	<u>(1,924,126)</u>	1,192,805

Proceeds from the issuance of long term debt is not recognized in governmental funds. In the Statement of Activities, however, issuing debt increases long term liabilities and does not affect the Statement of Activities. Similarly, repayment of principal is an expenditure in the governmental funds but reduces the liability in the Statement of Net Position.

Debt Issued:		
Increases in contracts payable	-	
Increases in capital leases	(926,188)	
Increases in accrued interest	-	
Repayments:		
Capital leases	626,146	
Accrued interest	18,459	
Contracts payable	<u>-</u>	(281,583)

Sale of capital assets.

Cost of capital assets sold	(428,116)	
Accumulated depreciation	<u>418,070</u>	(10,046)

Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.

Compensated absences - 2021	(642,982)	
Compensated absences - 2020	<u>552,830</u>	(90,152)

GASB 68 requires the calculation of net pension revenue/(expense), and the deferral of current contributions

Current contributions	205,655	
Change in net pension expense	<u>971,588</u>	1,177,243

Changes in net position of governmental activities **\$ 5,441,968**

The accompanying notes are an integral part of these financial statements.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

Fremont County, Idaho, was incorporated March 4, 1893, under the provisions of State of Idaho House Bill 100 (by Fletcher). The County is located in the northeastern corner of Southeast Idaho and operates under the authority of a Board of Commissioners. The County provides public safety, ambulance, health and welfare, licensing, court, road and bridge, sanitation, parks and recreation, planning and zoning, public improvements, waterways, educational, and general and administrative services to residents and non-residents of the County. The County includes Island Park which has excellent recreational facilities and attracts many visitors to the County.

The County collects certain fees for services which it performs for residents and non-residents. In addition to fees, the County receives State and Federal funds to help pay for services. Any shortfall in funds for providing services is collected in the form of property taxes levied by the County. The County also acts as an agent for other governmental and quasi-governmental entities in collecting and remitting property taxes levied by these entities. The County accounts for transactions in separate funds. By using several funds the County is able to account for each type of service, activity or program for which the County receives funds. Accounting for activities by fund conforms to generally accepted accounting principles as applicable to governments.

B. BASIS OF PRESENTATION, BASIS OF ACCOUNTING

Basis of Presentation

Government-wide Statements: The statement of net position and the statement of activities display information about the primary government (the County). These statements include the financial activities of the overall government, except for fiduciary activities. Eliminations have been made to minimize the double-counting of internal balances and transfers. These statements distinguish between the *governmental* and *business-type activities* of the County. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties.

The statement of activities presents a comparison between direct expenses and program revenues for the different business-type activities of the County and for each function of the County's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Indirect expense allocations that have been made in the funds have been reversed for the statement of activities. Program revenues include (a) fees, fines, and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

B. BASIS OF PRESENTATION, BASIS OF ACCOUNTING, Continued

Basis of Presentation, Continued

Fund Financial Statements: The fund financial statements provide information about the County's funds, including its fiduciary funds. Separate statements for each fund category—*governmental*, *proprietary*, and *fiduciary*—are presented. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as nonmajor funds.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Nonoperating revenues, such as subsidies and investment earnings, result from nonexchange transactions or ancillary activities.

The County reports the following major governmental funds:

General Fund. This is the County's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

Road and Bridge. This fund accounts for the operation and maintenance of the County's road and bridge infrastructure.

Justice Fund. This fund is responsible for activities related to law enforcement.

Sanitary Landfill. This fund is responsible for activities related to operating and maintain landfills.

Landfill Financial Assurance. This fund is responsible for recording and accruing actual and estimated post-closure costs of the landfills.

The County reports the following major enterprise funds:

5-County Detention Center. The 5-County Detention Center is a center that is owned by Fremont, Jefferson, Clark, Teton, and Madison Counties collectively. All five counties participate in the repayment of the debt obligations. Fremont County is the current fiduciary for the center.

Sewer Systems. This fund accounts for the operation and maintenance of the sewer systems within the County.

The County reports the following fund types:

Agency Funds. These funds account for monies held on behalf of school districts, special districts, and retirement boards that use the County as a depository; property taxes collected on behalf of other governments; and surety bonds and performance deposits.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

B. BASIS OF PRESENTATION, BASIS OF ACCOUNTING, Continued

Measurement Focus, Basis of Accounting

Government-wide, Proprietary, and Fiduciary Fund Financial Statements. The government-wide, proprietary, and fiduciary fund financial statements are reported using the economic resources measurement focus. The government-wide and proprietary fund financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Nonexchange transactions, in which the County gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental Fund Financial Statements. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The County considers all revenues reported in the governmental funds to be available if the revenues are collected within sixty days after year-end. Property taxes, sales taxes, franchise taxes, licenses, and interest are considered to be susceptible to accrual. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

Under the terms of grant agreements, the County funds certain programs by a combination of specific cost-reimbursement grants, categorical block grants, and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted net position available to finance the program, it is the County's policy to first apply cost-reimbursement grant resources to such programs, followed by categorical block grants, and then by general revenues.

All governmental and business-type activities and enterprise funds of the County follow FASB Statements and Interpretations issued on or after November 30, 1989, Accounting Principles Board Opinions, and Accounting Research Bulletins, unless those pronouncements conflict with GASB pronouncements.

C. ASSETS, LIABILITIES, AND EQUITY

Deposits and Investments

The cash balances of substantially all funds are pooled and invested by the County Treasurer for the purpose of increasing earnings through investment activities. The pooled investments are reported at fair value at September 30, 2021 based on market prices. Earnings on the pooled funds are apportioned and paid or credited to the funds based on the balance of each participating fund.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

C. ASSETS, LIABILITIES, AND EQUITY, Continued

Cash and Cash Equivalents

The County considers cash and cash equivalents in proprietary funds to be cash on hand and demand deposits with a maturity date of three months or less. Demand deposits include certificates of deposits.

Receivables and Payables

All trade and property tax receivables are shown net of an allowance for uncollectibles. Because property taxes attach as an enforceable lien after three years of delinquency, the County feels that all receivables are collectible.

Property Tax Calendar

The County is responsible for the assessment, collection, and apportionment of property taxes for all jurisdictions including the schools and special districts within the County. The Board of Commissioners levies property taxes as of November each year. The taxes become payable on December 20, and June 20, of the following year for real property and personal property.

Property taxes attach as an enforceable lien as of December 20 following the levy in August. Therefore, no amount has been set aside for an allowance for doubtful accounts. Property taxes collected after December 1, 2021 are classified as deferred revenue.

Capital Assets

Purchased or constructed capital assets are reported at cost or estimated historical cost. Donated fixed assets are recorded at their estimated fair value at the date of donation. General infrastructure assets acquired after July 1, 2001 are reported at cost or estimated historical cost. The Standards did not require that we track and maintain general infrastructure assets acquired prior to July 1, 2001 and also do not require us to retroactively restate these assets for financial reporting purposes. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Equipment	5 – 15
Improvements	10 – 50
Buildings	30 – 60

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

C. ASSETS, LIABILITIES, AND EQUITY, Continued

Net Position

Net position is the difference between assets and liabilities. Net position invested in capital assets, net of related debt, are capital assets, less accumulated depreciation and any outstanding debt related to the acquisition, construction or improvements of those assets. Net position is reported as restricted when there are legal limitations that are imposed on their use by the County, or external restrictions by other governments, creditors or grantors or enabling legislation. In Fremont County there are restrictions of \$11,190,786. When expenses are incurred for purposes for which both restricted and unrestricted net position are available, restricted resources are applied first.

Fund Balance Reserves

Fund balance is categorized into five categories. The five categories of fund balance are nonspendable, restricted, committed, assigned, and unassigned. For the year ended September 30, 2021, the County had fund balances which were nonspendable, restricted, assigned, and unassigned of \$31,584, \$7,024,466, \$3,052,660, and \$2,968,723 respectively. Nonspendable funds are amounts that are not in a spendable form or are required to remain intact. Restricted funds are those which are constrained to being used for a specific purpose by external parties, constitutional provisions, or enabling legislation. Assigned funds are amounts a government intends to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority. Unassigned funds are those which are available for any purpose.

Compensated Absences

The liability for compensated absences reported in the government-wide and proprietary fund statements consists of unpaid, accumulated annual and sick leave balances. The liability has been calculated using the vesting method, in which leave amounts for both employees who are currently eligible to receive termination payments and other employees who are expected to become eligible in the future to receive such payments upon termination are included.

Inventories

The County has inventory of tax deeded property valued at \$31,063 as of September 30, 2021. The basis for stating inventories is at the value of the delinquent taxes owed on the properties.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and revenue and expenses. Actual results could differ from those estimates.

Pensions

For purposes of measuring the net pension liability and pension expense, information about the fiduciary net position of the Public Employee Retirement System of Idaho Base Plan (Base Plan) and additions to/deductions from Base Plan's fiduciary net position have been determined on the same basis as they are reported by the Base Plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 2 DEPOSITS AND INVESTMENTS

A. SUMMARY OF DEPOSIT AND INVESTMENT BALANCES

Following is a reconciliation of the County's deposit and investment balances as of September 30, 2021:

	Pooled Cash and Investments		Total
Bank deposits	\$ 17,833,211		\$ 17,833,211
Investments	<u>11,904,667</u>		<u>11,904,667</u>
Total	<u>\$ 29,737,878</u>		<u>\$ 29,737,878</u>
	Government-wide Statement of Net Position	Fiduciary Funds Statement of Net Position	Total
Pooled cash	\$ 17,351,213	\$ 481,998	\$ 17,833,211
Investments	<u>11,904,667</u>	<u>-</u>	<u>11,904,667</u>
Total	<u>\$ 29,255,880</u>	<u>\$ 481,998</u>	<u>\$ 29,737,878</u>

B. CASH DEPOSITS

<u>Depository Institution</u>	<u>Book Balance</u>	<u>Bank Balance</u>	<u>FDIC Insured</u>	<u>Collateralized</u>	<u>Uninsured</u>
Bank of Idaho	\$ 1,771,510	\$ 2,396,459	\$ 250,000	\$ 1,869,664	\$ 438,795

Custodial credit risk is the risk that, in the event of a bank failure, the County's deposits may not be returned. The County does not have a deposit policy for custodial credit risk. As of September 30, 2021, \$16,004,718 of the County's bank balance of \$17,975,380 was exposed to custodial credit risk as can be seen in the previous table.

The County also maintains a checking account at the Bank of Idaho titled the VEBA Trust Account. This account is used to pay for county health insurance premiums and other health benefits. As of September 30, 2021 the book balance on this account was \$26,009.

The money market accounts deposited with Wells Fargo Investment Services are insured by SIPC, a non-profit organization that pledges to cover up to \$500,000 of cash and securities (including a \$250,000 limit for cash only) in the case of a bank failure. However, this coverage is not guaranteed and is not backed by the United States Government.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

B. INVESTMENTS

The County's investment policy, in compliance with state statutes, authorizes the Treasurer to invest in the following:

- Revenue bonds
- Money market funds
- Mutual funds
- Time deposit accounts
- U.S. bonds/treasury bills
- General obligation bonds
- Notes, bonds, debentures under farm credit act
- Repurchase/reverse repurchase agreements
- Tax anticipation bonds/notes
- Savings accounts and certificates of deposit
- Share, savings, and deposit accounts at credit unions
- Prime bankers acceptances
- Prime commercial paper
- Bonds/debentures of U.S. corporation

As of September 30, 2021, the County has the following investments, reported at fair market value.

<u>Investment</u>	<u>Maturity</u>	<u>Fair Value</u>
Time Deposit Accounts		
Negotiable Certificates of Deposit	Various	\$ 6,580,562
Federal Agency Obligations		
Federal National Mortgage Association	Various	90,073
Federal Home Loan Mortgage	Various	338,072
Tennessee Valley Authority	Various	<u>4,895,960</u>
Total Investments		<u>\$ 11,904,667</u>

As of September 30, 2021 all investments are uninsured and uncollateralized.

Concentration Credit Risk is the risk that the County has invested more than 5% of their total investment in any one issuer. Currently, Fremont County holds the following individual issues in an amount greater than 5% of their total investments:

<u>Investment</u>	<u>% of Total Investment</u>
Negotiable Certificates of Deposit	55%
Tennessee Valley Authority	41%

Credit Risk: The County's investments are rated by the two nationally recognized statistical rating organizations—Standard & Poor's and Moody's Investment Services. Investments in US Government Agencies are rated AA+ and AAA, respectively.

For the Year Ending September 30, 2021

NOTE 3 CAPITAL ASSETS, Continued

Depreciation expense was charged to functions as follows:

General government:

Road & Bridge	\$ 820,357
Public Safety	282,327
Sanitation	506,247
Culture & Recreation	23,742
Other	<u>302,949</u>
Total	<u>\$ 1,935,622</u>
5-County Detention Center	46,765
Sewer Systems	383,422
Golf Course	<u>4,223</u>
Total	<u>\$ 2,370,032</u>

Amortization expense was charged to the Last Chance Line Extension in the amount of \$625.

NOTE 4 INTERFUND TRANSACTIONS

A. INTERFUND RECEIVABLES/PAYABLES

The negative cash balances reported in the General Fund, and the Ambulance District have not been reported as interfund receivables and payables due to excess of the investment balances over the negative cash balances. As such, they are not using the resources of other funds.

B. INTERFUND TRANSFERS

Interfund operating transfers at September 30, 2021, consist of the following:

	<u>Transfers To</u>	<u>Transfers From</u>
General Fund		45,000
Senior Citizens	45,000	
Sanitation		1,034,329
Landfill Financial Assurance	1,034,329	

The transfer from the General Fund to Senior Citizens was made to cover general operations. The transfer from Sanitation to Landfill Financial Assurance was for the closure of the landfill.

FREMONT COUNTY, IDAHO

NOTE 5 COMMITMENTS AND CONTINGENCIES

Litigation:

As of the date of this report, Fremont County is involved in several legal suits. However, none of these suits would require disclosure under SFAS No. 5. According to the County attorney, there is pending litigation where the outcome is not yet determinable, but can estimate the potential loss if there were to be an unfavorable outcome. However, the insurance liability limits would cover any potential losses.

NOTE 6 RISK MANAGEMENT

The county is exposed to a considerable number of risks of loss including but not limited to a) damage to and loss of property and contents; b) employee torts; c) professional liability, i.e. errors and omissions; d) environmental damage; e) workers compensation, i.e. employee injuries and f) medical insurance costs of its employees. Commercial insurance policies transferring the risk of loss, but for a relatively small deductible amount, are purchased for property and content damage, employees torts and professional liabilities. Settled claims resulting from these risks have not exceeded the insurance deductible provided for in the last three years.

NOTE 7 LONG-TERM OBLIGATIONS

Lease agreements entered into by the County must contain fiscal funding clauses to comply with State statutes. These clauses allow the Board of Commissioners to terminate the lease in any fiscal year in which the payment is not budgeted. The debt for leases is reported in the long term debt account group because it is the County's intention to extend the leases beyond the current fiscal year. The County has entered into the following capital lease and loan agreements:

1. A lease purchase agreement through Wells Fargo Equipment Finance, Inc. for the purchase of the Five County Juvenile Detention Center. The lease agreement calls for semi-annual payments of \$144,843 including interest at 4.90% per annum, with payments due in January and July. The payments and loan are split equally between the 5 counties with Fremont County paying its share at \$28,989 semi-annually. The lease is secured by the building. The loan balance is was paid off during the year.
2. A loan agreement with the Department of Health and Welfare Water Quality Loan System for the snow fluent project at Last Chance was entered into during the fiscal year 2004. The terms of the loan call for annual payments of \$33,583 due in August with interest at 3.75%. The loan balance is due to be paid off in August 2024. The balance of the loan at September 30, 2021 was \$25,321.
3. During the 2006 fiscal year, Fremont County issued \$322,867 of Local Improvement District (L.I.D.) # 2004-1 bonds to help fund the construction of the wastewater collection facilities for the extension of collection lines in the Last Chance service area. The bond is payable in annual installments of principal and interest, at 5.85%, in varying amounts. The bonds are due to be paid off in 2025. Bonds outstanding at September 30, 2021 were \$63,715.
4. A lease purchase agreement was entered into with Summit National Bank for the purchase of a 2016 Caterpillar Wheel Loader in the amount of \$246,421. Annual payments are due in March in the amount of \$43,794, with the final payment due in 2022. The payments include interest at a rate of 1.85%. The balance of the lease was paid off during the fiscal year.

FREMONT COUNTY, IDAHO

NOTE 7 LONG-TERM OBLIGATIONS, Continued

5. A lease agreement was entered into with Summit National Bank for the purchase of a Mack truck in the amount of \$110,185. The terms of the lease require six annual payments of principal and interest of \$19,658 with an interest rate of 2.8%. The balance on the lease was paid off during the fiscal year.
6. A lease agreement was entered into with Summit National Bank for the purchase of a 2018 Cat 950M Wheel Loader in the amount of \$260,030. The terms of the lease require six annual payments of \$48,236 due annually on the 1st of November and maturing on the 1st of November, 2023. The interest rate on the loan is 4.49%. The balance of the loan at September 30, 2021 was \$132,231.
7. A lease agreement was entered into with Summit National Bank for the purchase of a 2019 Cat 160M3 Motor Grade in the amount of \$334,716. The terms of the lease require six annual payments of \$62,090 due annually on the 31st of December and maturing on the 31st of December, 2023. The interest rate on the loan is 4.49%. The balance of the loan at September 30, 2021 was \$178,061.
8. A lease agreement was entered into with DL Evans Bank for the purchase of a John Deere 310 SL Backhoe Loader in the amount of \$120,067. The terms of the lease require six annual payments of \$21,101 due annually on the 15th of February and maturing on the 15th of February, 2024. The interest rate on the loan is 3.85%. The balance of the loan at September 30, 2021 was \$58,663.
9. A lease agreement was entered into with Stryker Flex Financial for the purchase of seven LifePak 15 V4s in the amount of \$192,889. The terms of the lease require five annual payments of \$43,859 due annually on the 1st of June and maturing on the 1st of June, 2023. The interest rate on the loan is 4.435%. The balance of the loan at September 30, 2021 was \$93,167.
10. A lease agreement was entered into with DL Evans Bank for the purchase of a 2019 Kenworth T800 in the amount of \$271,949. The terms of the lease require five annual payments of \$60,688 due annually on the 15th of January and maturing on the 15th of January, 2024. The interest rate on the loan is 3.85%. The balance of the loan was paid of early during the fiscal year.
11. A lease agreement was entered into with DL Evans Bank for the purchase of a 2019 CAT 160M3 Motor Grader in the amount of \$363,000. The terms of the lease require a \$65,000 down payment with five annual payments of \$65,120 due annually on the 20th of June and maturing on the 20th of June, 2025. The interest rate on the lease is 2.99%. The balance of the loan at September 30, 2021 was \$241,914.
12. A lease agreement was entered into with Summit National Bank for the purchase of a 2021 Caterpillar 816 Compactor in the amount of \$445,502. The terms of the lease require a \$81,097 down payment with five annual payments of \$80,797 due annually on the 14th of January and maturing on the 14th of January, 2026. The interest rate on the lease is 2.498%. The balance of the loan at September 30, 2021 was \$376,417.

2019 Kenworth T800 – CL	220,772	-	220,772	-
2019 CAT Motor Grader – CL	298,000	-	56,086	241,914
2021 CAT 816 Compactor		445,502	69,085	376,417
2021 CAT 950M Loader		259,424	42,131	217,293
2021 JD 644 P Loader		207,262	34,112	173,150
Compensated absences	<u>552,835</u>	<u>90,147</u>	<u>-</u>	<u>642,982</u>
	<u>\$ 1,723,709</u>	<u>\$ 1,002,335</u>	<u>\$ 612,166</u>	<u>\$ 2,113,878</u>
Business-type activities:				
5-County Detention Center:				
5-County Deten. Center - CL	\$ 109,081	\$ -	\$ 109,081	\$ -
Compensated absences	98,325	-	29,223	69,102
Sewer Systems:				
Compensated absences	26,050	-	7,604	18,446
Other enterprise funds:				
LID #2 Snow fluent	56,908	-	31,587	25,321
LID #3 Last Chance Extension	<u>77,505</u>	<u>-</u>	<u>13,790</u>	<u>63,715</u>
	<u>\$ 367,869</u>	<u>\$ -</u>	<u>\$ 191,285</u>	<u>\$ 176,584</u>

The calculation of compensated absences is too cost prohibitive to determine actual additions and deletions during the year due to the restrictive policies regarding payout upon termination, therefore we have adjusted the balance to actual at the end of the year.

D. COMPENSATED ABSENCES

Accumulated sick, personal, vacation and compensatory leave time is accrued for all eligible employees based on length of employment and rate of compensation. The County's policy will allow payment of accumulated compensated absences upon termination up to the following maximum accumulated hours in each category:

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 7 LONG-TERM OBLIGATIONS, Continued

Sick leave	120 hours
Personal leave	256 hours
Vacation leave	240 hours
Compensatory time off	100% of accumulation
Disaster pay	36 hours

NOTE 8 RELATED PARTY TRANSACTIONS

The County has not entered into any related party transactions as of September 30, 2021.

NOTE 9 PENSION PLAN – EMPLOYER REPORTING

Plan Description

Fremont County contributes to the Base Plan which is a cost-sharing multiple-employer defined benefit pension plan administered by Public Employee Retirement System of Idaho (PERSI or System) that covers substantially all employees of the State of Idaho, its agencies and various participating political subdivisions. The cost to administer the plan is financed through the contributions and investment earnings of the plan. PERSI issues a publicly available financial report that includes financial statements and the required supplementary information for PERSI. That report may be obtained on the PERSI website at www.persi.idaho.gov.

Responsibility for administration of the Base Plan is assigned to the Board comprised of five members appointed by the Governor and confirmed by the Idaho Senate. State law requires that two members of the Board be active Base Plan members with at least ten years of service and three members who are Idaho citizens not members of the Base Plan except by reason of having served on the Board.

Pension Benefits

The Base Plan provides retirement, disability, death and survivor benefits of eligible members or beneficiaries. Benefits are based on members' years of service, age, and highest average salary. Members become fully vested in their retirement benefits with five years of credited service (5 months for elected or appointed officials). Members are eligible for retirement benefits upon attainment of the ages specified for their employment classification. The annual service retirement allowance for each month of credited service is 2.0% (2.3% for police/firefighters) of the average monthly salary for the highest consecutive 42 months. Amounts in parenthesis represent police/firefighters.

The benefit payments for the Base Plan are calculated using a benefit formula adopted by the Idaho Legislature. The Base Plan is required to provide a 1% minimum cost of living increase per year provided the Consumer Price Index increases 1% or more. The PERSI Board has the authority to provide higher cost of living increases to a maximum of the Consumer Price Index movement or 6%, whichever is less; however, any amount above the 1% minimum is subject to review by the Idaho Legislature.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 9 PENSION PLAN – EMPLOYER REPORTING (continued)

Member and Employer Contributions

Member and employer contributions paid to the Base Plan are set by statute and are established as a percent of covered compensation and earnings from investments. Contribution rates are determined by the PERSI Board within limitations, as defined by state law. The Board may make periodic changes to employer and employee contribution rates (expressed as percentages of annual covered payroll) if current rates are actuarially determined to be inadequate or in excess to accumulate sufficient assets to pay benefits when due.

The contribution rates for employees are set by statute at 60% (74%) of the employer rate. As of June 30, 2021 it was 7.16% (9.13%). The employer contribution rate is set by the Retirement Board and was 11.94% (12.28%) of covered compensation. Fremont County's contributions were \$1,035,341 for the year ended September 30, 2021.

Pension Liabilities, Pension Expense (Revenue), and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2021 Fremont County reported a liability for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. Fremont County's proportion of the net pension liability was based on the County's share of contributions in the Base Plan pension plan relative to the total contributions of all participating PERSI Base Plan employers. At June 30, 2021, the County's proportion was .22295293 percent.

For the year ended September 30, 2021, the County recognized pension expense (revenue) of \$991,189. At September 30, 2021, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 259,435	\$ 102,352
Changes in assumptions or other inputs	2,021,213	-
Net difference between projected and actual earnings on pension plan investments	-	5,530,650
Changes in the employer's proportion and differences between the employer's contributions and the employer's proportionate contributions	-	-
Contributions subsequent to the measurement date	267,085	-
TOTAL	\$ 2,547,733	\$ 5,633,002

\$267,085 reported as deferred outflows of resources related to pensions resulting from County contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending September 30, 2021.

The average of the expected remaining service lives of all employees that are provided with pensions through the System (active and inactive employees) determined at July 1, 2021, the beginning of the measurement period, ended June 30, 2020 is 4.7 years and 4.6 for the measurement period June 30, 2021.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 9 PENSION PLAN – EMPLOYER REPORTING (continued)

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense (revenue) as follows:

Year ended September 30, 2021:

2022	\$ (788,586)
2023	\$ (710,677)

Actuarial Assumptions

Valuations are based on actuarial assumptions, the benefit formulas, and employee groups. Level percentages of payroll normal costs are determined using the Entry Age Normal Cost Method. Under the Entry Age Normal Cost Method, the actuarial present value of the projected benefits of each individual included in the actuarial valuation is allocated as a level percentage of each year's earnings of the individual between entry age and assumed exit age. The Base Plan amortizes any unfunded actuarial accrued liability based on a level percentage of payroll. The maximum amortization period for the Base Plan permitted under Section 59-1322, Idaho Code, is 25 years.

The total pension liability in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.30%
Salary increases	3.05%
Salary inflation	3.05%
Investment rate of return	6.35%, net of investment expenses
Cost-of-living adjustments	1.00%

Contributing Members, Service Retirement Members, and Beneficiaries

- General Employees and All Beneficiaries – Males Pub-2010 General Tables, increased 11%.
- General Employees and All Beneficiaries – Females Pub-2010 General Tables, increased 21%.
- Teachers – Males Pub-2010 General Tables, increased 12%
- Teachers – Females Pub-2010 General Tables, increased 21%
- Fire & Police – Males Pub-2010 Safety Tables, increased 21%
- Fire & Police – Females Pub-2010 Safety Tables, increased 26%
- Disabled Members – Males Pub-2010 Safety Tables, increased 38%
- Disabled Members – Females Pub-2010 Safety Tables, increased 36%

An experience study was performed for the period July 1, 2015 through June 30, 2020 which reviewed all economic and demographic assumptions including mortality. The Total Pension Liability as of June 30, 2021 is based on the results of an actuarial valuation date of July 1, 2021.

Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 9 PENSION PLAN – EMPLOYER REPORTING (continued)

The long-term expected rate of return on pension plan investments was determined using the building block approach and a forward-looking model in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Even though history provides a valuable perspective for setting the investment return assumption, the System relies primarily on an approach which builds upon the latest capital market assumptions. Specifically, the System uses consultants, investment managers and trustees to develop capital market assumptions in analyzing the System’s asset allocation. The assumptions and the System’s formal policy for asset allocation are shown below. The formal asset allocation policy is somewhat more conservative than the current allocation of System’s assets.

The best-estimate range for the long-term expected rate of return is determined by adding expected inflation to expected long-term real returns and reflecting expected volatility and correlation. The capital market assumptions are as of 2021.

Capital Market Assumptions from Callan 2021

Asset Class	Target Allocation	Long-Term Expected Nominal Rate of Return	Long-Term Expected Real Rate of Return
Core Fixed Income	30.00%	1.80%	(0.20%)
Broad US Equities	55.00%	8.00%	6.00%
Developed Foreign Equities	15.00%	8.25%	6.25%
Assumed Inflation -Mean		2.00%	2.00%
Assumed Inflation – Standard Deviation		1.50%	1.50%
Portfolio Arithmetic Mean Return		6.18%	4.18%
Portfolio Standard Deviation		12.29%	12.29%
Portfolio Long-Term (Geometric) Expected Rate of Return		5.55%	3.46%
Assumed Investment Expenses		0.40%	0.40%
Portfolio Long-Term (Geometric) Expected Rate of Return, Net of Investment Expenses		5.15%	3.06%

Investment Policy Assumptions from PERSI Board November 2019

Portfolio Long-Term Expected Real Rate of Return, Net of Investment Expenses	4.14%
Portfolio Standard Deviation	14.16%

Economic/Demographic Assumptions from Milliman 2021

Valuation Assumptions Chosen by PERSI Board	
Long-Term Expected Real Rate of Return, Net of Investment Expenses	4.05%
Assumed Inflation	2.30%
Long-Term Expected Nominal Rate of Return, Net of Investment Expenses	6.35%

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 9 PENSION PLAN – EMPLOYER REPORTING (continued)

Discount Rate

The discount rate used to measure the total pension liability was 6.35%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate. Based on these assumptions, the pension plans' net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. The long-term expected rate of return was determined net of pension plan investment expense but without reduction for pension plan administrative expense.

Sensitivity of the County's proportionate share of the net pension liability to changes in the discount rate.

The following presents the County's proportionate share of the net pension liability calculated using the discount rate of 6.35 percent, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (5.35 percent) or 1-percentage-point higher (7.35 percent) than the current rate:

	1% Decrease (5.35%)	Current Discount Rate (6.35%)	1% Increase (7.35%)
County's proportionate share of the net pension liability (asset)	6,121,042	(176,084)	(5,337,964)

Pension plan fiduciary net position

Detailed information about the pension plan's fiduciary net position is available in the separately issued PERSI financial report.

PERSI issues a publicly available financial report that includes financial statements and the required supplementary information for PERSI. That report may be obtained on the PERSI website at www.persi.idaho.gov.

Payables to the pension plan

At September 30, 2021, the County reported payables to the defined benefit pension plan of \$12,806 for legally required employer contributions.

NOTE 10 DEFICIT FUND BALANCE

Veterans' Memorial Fund reported a deficit fund balance of \$135 as of September 30, 2021.

FREMONT COUNTY, IDAHO

NOTE 11 FINANCIAL SELF-INSURANCE AGAINST LANDFILL CLOSURE AND POST CLOSURE COSTS

St. Anthony and Island Park landfill:

In accordance with provisions of the Resource Conservation and Recovery Act (RCRA) Subtitle D, Fremont County elects to use its financial strength to self-insure against the estimated costs of its St. Anthony and Island Park landfill closure, post-closure and corrective action obligators.

All required components of the financial test are met and, as of this date, Fremont County qualifies for the self-insure provision of the law. Results of the financial demonstration are as follows:

1. Ratio of Cash to Expenditures: (Exceeds 5%)

$$\frac{\text{Cash/Marketable Securities}}{\text{Total Annual Expenditures}} = \frac{\$ 29,255,880}{\$ 22,324,083} = 131\%$$

2. Debt Service Ratio: (Does not exceed 20%)

$$\frac{\text{Debt Service Expenditures}}{\text{Total Expenditures}} = \frac{\$ 644,605}{\$ 22,324,083} = 2.89\%$$

3. The County has not operated at a deficit in either of the past two years.
4. The ratio of total estimated closure/post-closures and corrective action costs to total revenue (as defined in the law) does not exceed 43%.

<u>Total Revenue</u>	<u>Maximum Coverage</u>	<u>Estimated Cost</u>
\$26,646,906 x .43 =	\$11,458,170	\$ 4,750,000

The total estimated cost of closure, post-closure and corrective actions includes the estimated cost of \$4,750,000 to cap and seed the existing cell, and an annual cost of maintaining and monitoring the cell of \$16,600 for each of 30 years following closure. The original estimated closing cost of \$1,224,590 adjusted for inflation gives us an estimated closing cost of \$2,014,437. The original costs were estimated in 1998. There are no guaranteed facilities, underground petroleum storage tanks, RCRA hazardous waste facilities, PCB storage facilities, or underground injection control wells associated with the landfill. All environmental obligations incurred with closing the landfill are included in the estimated cost. Estimates were provided in an engineering study performed by MS&E, Inc. However, current reconsideration of the closure process has estimated that the closure for both landfills may cost as much as \$4,750,000.

The County's fifteen year approved plan was signed on May 20, 1998. It is estimated at the end of September 30, 2021 the Island Park landfill was roughly 80% used. It was also estimated that the Island Park landfill has at least 17 or 18 years left on its life. The St. Anthony landfill is 90% used and is estimated to have several years left on its life.

The requirement for public notice is met with publication of the Fremont County General Purpose Financial statements (attached) which were prepared by our independent auditor in accordance with generally accepted accounting principles and contains the auditor's opinion on the financial statements.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 11 FINANCIAL SELF-INSURANCE AGAINST LANDFILL CLOSURE AND POST CLOSURE COSTS, Continued

Island Park landfill:

In accordance with provisions of the Resource conservation and Recovery Act (RCRA) Subtitle D, Fremont County elects to use its financial strength to self-insure against estimated costs of its Island Park landfill closure, post-closure and corrective action obligators.

All required components of the financial test are met and, of this date, Fremont County qualifies for the self-insurance provision of the law. Results of the financial demonstration are as follows:

1. Ratio of Cash to Expenditures: (Exceeds 5%)

<u>Cash/Marketable Securities</u>	\$ 29,255,880	=	131%
Total Annual Expenditures	\$ 22,324,083		

2. Debt Service Ratio: (Does not exceed 20%)

<u>Debt Service Expenditures</u>	\$ 644,605	=	2.89%
Total Expenditures	\$ 22,324,083		

3. The County has not operated at a deficit in either of the past two years.
4. The ratio of total estimated closure/post-closures and corrective action costs to total revenue (as defined in the law) does not exceed 43%.

<u>Total Revenue</u>	=	<u>Maximum Coverage</u>	=	<u>Estimated Cost</u>
\$26,646,906 x .43		\$11,458,170		\$2,000,000

The total estimated cost of closure, post-closure and corrective actions includes the estimated cost of \$2,000,000 to cap and seed the existing cell, and an annual cost of maintaining and monitoring the cell of \$8,300 for each of 30 years following closure. The original estimated closure cost of \$546,600 adjusted for inflation gives us an estimated closing cost of \$899,151. The original costs were estimated in 1998. There are no guaranteed facilities, underground petroleum storage tanks, RCRA hazardous waste facilities, PCB storage facilities, or underground injection control wells associated with the landfill. All environmental obligations incurred with closing the landfill are included in the estimated cost. Estimates were provided in an engineering study performed by MS&E, Inc. However, current reconsideration of the closure process has estimated that the closure may cost as much as \$2,000,000.

The County's fifteen year approved plan was signed on May 20, 1998. It is estimated at the end of September 30, 2021 the Island Park landfill was roughly 80% used. It was also estimated that the landfill still had at least 17 or 18 years left on its life.

The requirement for public notice is met with publication of the Fremont County General Purpose Financial statements (attached) which were prepared by our independent auditor in accordance with generally accepted accounting principles and contains the auditor's opinion on the financial statements.

St. Anthony landfill:

In accordance with provisions of the Resource conservation and Recovery Act (RCRA) Subtitle D, Fremont County elects to use its financial strength to self-insure against estimated costs of its St. Anthony landfill closure, post-closure and corrective action obligators.

NOTE 11 FINANCIAL SELF-INSURANCE AGAINST LANDFILL CLOSURE AND POST CLOSURE COSTS, Continued

St. Anthony landfill, continued:

All required components of the financial test are met and, of this date, Fremont County qualifies for the self-insurance provision of the law. Results of the financial demonstration are as follows:

1. Ratio of Cash to Expenditures: (Exceeds 5%)

<u>Cash/Marketable Securities</u>	\$ 29,255,880	=	131%
Total Annual Expenditures	\$ 22,324,083		

2. Debt Service Ratio: (Does not exceed 20%)

<u>Debt Service Expenditures</u>	\$ 644,605	=	2.89%
Total Expenditures	\$ 22,324,083		

3. The County has not operated at a deficit in either of the past two years.
4. The ratio of total estimated closure/post-closures and corrective action costs to total revenue (as defined in the law) does not exceed 43%.

<u>Total Revenue</u>	=	<u>Maximum Coverage</u>	=	<u>Estimated Cost</u>
\$26,646,906 x .43		\$11,458,170		\$2,750,000

The total estimated cost of closure, post-closure and corrective actions includes the estimated cost of \$2,750,000 to cap and seed the existing cell, and an annual cost of maintaining and monitoring the cell of \$8,300 for each of 30 years following closure. The original estimated closure cost of \$677,990 adjusted for inflation gives us an estimated closing cost of \$1,115,286. The original costs were estimated in 1998. There are no guaranteed facilities, underground petroleum storage tanks, RCRA hazardous waste facilities, PCB storage facilities, or underground injection control wells associated with the landfill. All environmental obligations incurred with closing the landfill are included in the estimated cost. Estimates were provided in an engineering study performed by MS&E, Inc. However, current reconsideration of the closure process has estimated that the closure may cost as much as \$2,750,000.

The County's fifteen year approved plan was signed on May 20, 1998. The St. Anthony landfill is 90% used and is estimated to have several years remaining on its life.

The county has recorded a liability of \$2,000,000 for closure & post-closure costs. This represents 72.7% of the estimated cost.

The requirement for public notice is met with publication of the Fremont County General Purpose Financial statements (attached) which were prepared by our independent auditor in accordance with generally accepted accounting principles and contains the auditor's opinion on the financial statements.

Fremont County decreased the patron landfill fee 23.8% with the opening of the transfer station in 2018. The average fee per household is \$195. Business fees follow a complex fee structure. Fremont County has cash and investments totaling \$3,035,770 as of September 30, 2021.

FREMONT COUNTY, IDAHO
Notes to Financial Statements
For the Year Ending September 30, 2021

NOTE 12 SUBSEQUENT EVENTS

On September 2, 2021, Fremont County entered into a lease agreement with Zions Bancorporation, National Association. \$11,550,000 of certificates of participation were issued designated as Fremont County, Idaho Annual Appropriation Certificates of Participation, Series 2021 and will be used to finance the Fremont County Jail Expansion Project, fund capitalized interest on the project, and finance the costs of issuance of the Certificates. Semi-annual interest-only payments began on March 1, 2022 and will continue until March 1, 2024. Regular semi-annual payments will begin on September 1, 2024 and continue until September 1, 2051. The interest rate will be 4.00% from September 1, 2024 until March 1, 2037, 2.25% from September 1, 2037 until March 1, 2042, 2.375% from September 1, 2042 until March 1, 2047, and 2.50% thereafter. The lease will be recognized as construction is paid for and completed. Interest payments will be recognized when paid.

Transactions and events subsequent to the fiscal year end through March 14, 2022 the date the financials were available to be issued, were reviewed by management to identify significant transactions or events that would have a material effect on the financial statements.

NOTE 13 POST RETIREMENT BENEFITS

Fremont County does not provide post-retirement benefits to its employees and has no reporting requirement under GASB #45.

NOTE 14 EXCESS OF ACTUAL EXPENDITURES OVER BUDGET

There were no funds that has an excess of expenditures over budget for the fiscal year 2021.

FREMONT COUNTY, IDAHO
Notes to Required Supplementary Information
For the Year Ending September 30, 2021

NOTE 1 BUDGET AND BUDGETARY DATA

The County follows the following procedures in establishing the budgetary data reflected in the financial statements:

1. The County clerk assembles the budget requests from the various departments and funds, and presents a proposed operating budget to the County Commissioners. The operating budget includes proposed expenditures and the means of financing.
2. A notice of a public hearing is made and a public hearing is conducted to obtain taxpayer comments. This hearing must be on or before the Tuesday following the first Monday in September of each year. Hearings must be concluded by the second Monday in September.
3. Upon the conclusion of budget hearings the budget is formally adopted by the County Commissioners.
4. Any revisions that alter the total expenditures of any fund must meet the requirements of the above three steps again.

During the fiscal year ended September 30, 2021 there were revisions to the budget as originally proposed. The following major funds amended their budgets: General, Road and Bridge and Justice funds.

NOTE 2 EXCESS OF ACTUAL EXPENDITURES OVER BUDGET

Fremont County had no major funds that exceeded the budgeted expenditures for the year ended September 30, 2021.

NOTE 3 PENSION - GASB 68

Fremont County contributes to a cost-sharing multiple-employer defined benefit pension plan administered by Public Employee Retirement System of Idaho (PERSI or System) that covers substantially all employees of the State of Idaho, its agencies, and various participating political subdivisions.

During the fiscal year ended June 30, 2021, there were no changes of benefit terms, neither was there any significant change in the composition of the population covered by the benefit terms. All assumptions used in actuarial calculations were not significantly different from those used in the past.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of County Commissioners
Fremont County, Idaho
St. Anthony, Idaho 83445

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Fremont County, Idaho as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise Fremont County's basic financial statements and have issued our report thereon dated March 14, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Fremont County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Fremont County's internal control. Accordingly, we do not express an opinion on the effectiveness of Fremont County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Fremont County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of County Commissioners
Fremont County, Idaho
St. Anthony, Idaho 83445

Report on Compliance for Each Major Federal Program

We have audited Fremont County, Idaho's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Fremont County, Idaho's major federal programs for the year ended September 30, 2021. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Fremont County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Fremont County, Idaho's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Fremont County's compliance.

Opinion on Each Major Federal Program

In our opinion, Fremont County complied in all material respects with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2021.

Board of County Commissioners
Fremont County, Idaho
St. Anthony, Idaho 83445

Report on Internal Control Over Compliance

Management of Fremont County, Idaho, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Fremont County's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Fremont County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *Material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

FREMONT COUNTY

Schedule of Expenditures of Federal Awards
For the year ended September 30, 2021

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

NOTE A BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Fremont County under programs of the federal government for the year ended September 30, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Fremont County, it is not intended to and does not present the financial position, changes in net position, or cash flows of Fremont County.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE C INDIRECT COST RATE

Fremont County has elected to not use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.
